### **NIE | coloradonie**

The U.S. Fish and Wildlife Service (Service) is awarding \$37.2 million in grants to 20 states to support conservation planning and acquisition of vital habitat for threatened and endangered species across the nation. The grants, awarded through the Cooperative Endangered Species Conservation Fund (CESCF), will benefit numerous species ranging from the coastal California gnatcatcher to the ...

### **Wildlife Habitat Conservation: Concepts, Challenges, and ...**

The major conceptual tool, developed over the past century, for understanding the use of space by populations of plants and animals is related to the concept of "habitat." Wildlife Habitat Conservation is a modern survey of this concept and how it is used to preserve ecosystems capable of supporting a rich diversity of species.
