### William Klein | Immigrant Entrepreneurship

William Klein is one of my favorite street photographers of all time. I think one of the things that I love most about him is his "I don't give a fuck" attitude about the way he approached street photography how he did things his own way. He rebelled against many of the contemporary styles of photography [...]

**William Klein - IMDb**

An American photographer William Klein is considered one of the most important artists in the medium's history, probably because of his unusual approach which was often called a crash course in what was not to be done in photography. Klein's visual language uses a lot of accidental events, graininess, blur, and distortion. In addition to his career in photography, he is also a movie maker ...
