Yamaha sampled their best concert piano for the S90 ES and supplemented the low level harmonics with beautiful synthetic harmonics which are absent in later versions. All samples are highly realistic, bending and rotary effects are spot on. Excellent Japanese workmanship and build quality. The only negative is weight.

Yamaha FINALLY got it right when they developed their new piano samples for the S90 ES. I can actually play my own solo piano compositions without having to blend soft strings in the background to compensate for the lack of realism in the piano samples for a change! Thank you Yamaha, and keep up the good work!
