Executive Summary. While the number of business models for financial advisors continues to grow, from its commission-based roots, to the AUM model, and more recently to hourly and retainer models, the fundamental challenge is that virtually all of those models are still focused on the "traditional" domains of financial planning, including retirement, insurance, estate, taxes, and investments.

## Download Free Zig Ziglar Performance Planner

American author Zig Ziglar once said, “The only thing worse than training employees and losing them is to not train them and keep them.” And his quote is relevant to how training and keeping great employees play until today. Ever since the great recession between 2007–2009, workplace training industries worldwide were hit tragically.
